

NAVODILA ZA PODALJŠANJE PRETEČENE ŠTUDENTSKE LICENCE CREO

creo®

Za več informacij smo vam na voljo na 01 200 40 70 in help@audax.si.

V raziskovalcu (file explorer) poiščite mapo, kjer imate nameščen program Creo Parametric. Običajno program namestimo v mapo C:\PTC\. V kolikor ste pri prvotni namestitvi pustili privzeto lokacijo pa boste program našli v mapi C:\Program Files\PTC\...

V podmapah moramo poiskati datoteko **reconfigure.exe**, ki se nahaja v mapi bin.

V nadaljevanju sta navedena 2 primera poti za vsako verzijo programa Creo:

Creo 6.0

C:\PTC\Creo 6.0.1.0\Parametric\bin\reconfigure.exe ali

C:\Program Files\PTC\Creo 6.0.1.0\Parametric\bin\reconfigure.exe

Creo 7.0

C:\PTC\Creo 7.0.1.0\Parametric\bin\reconfigure.exe ali

C:\Program Files\PTC\Creo 7.0.1.0\Parametric\bin\reconfigure.exe

Creo 8.0

C:\PTC\Creo 8.0.2.0\Parametric\bin\reconfigure.exe ali

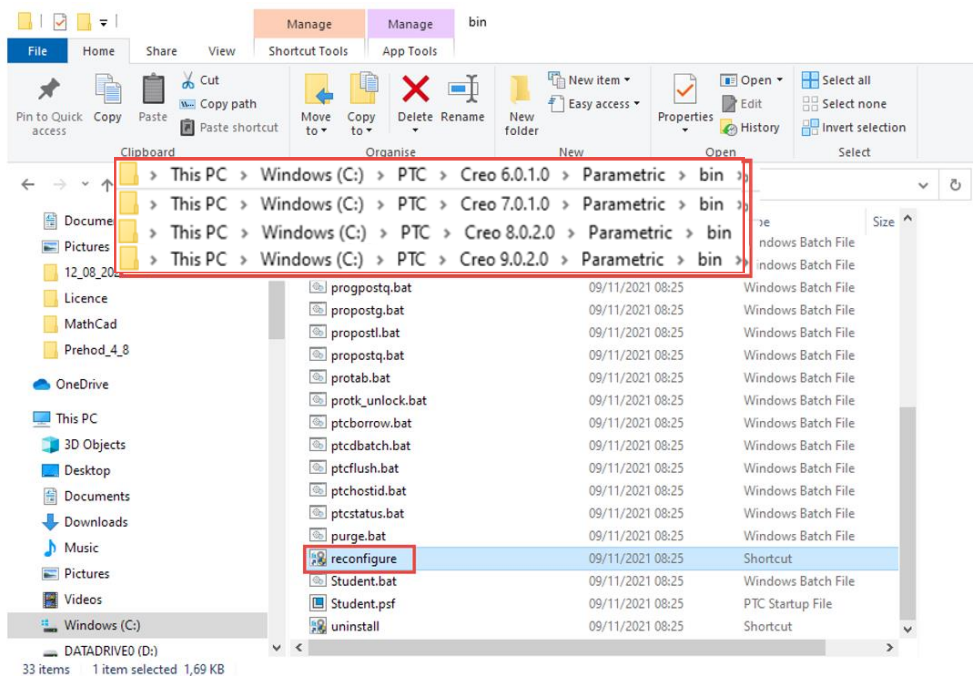

C:\Program Files\PTC\Creo 8.0.2.0\Parametric\bin\reconfigure.exe

Creo 9.0

C:\PTC\Creo 9.0.2.0\Parametric\bin\reconfigure.exe ali

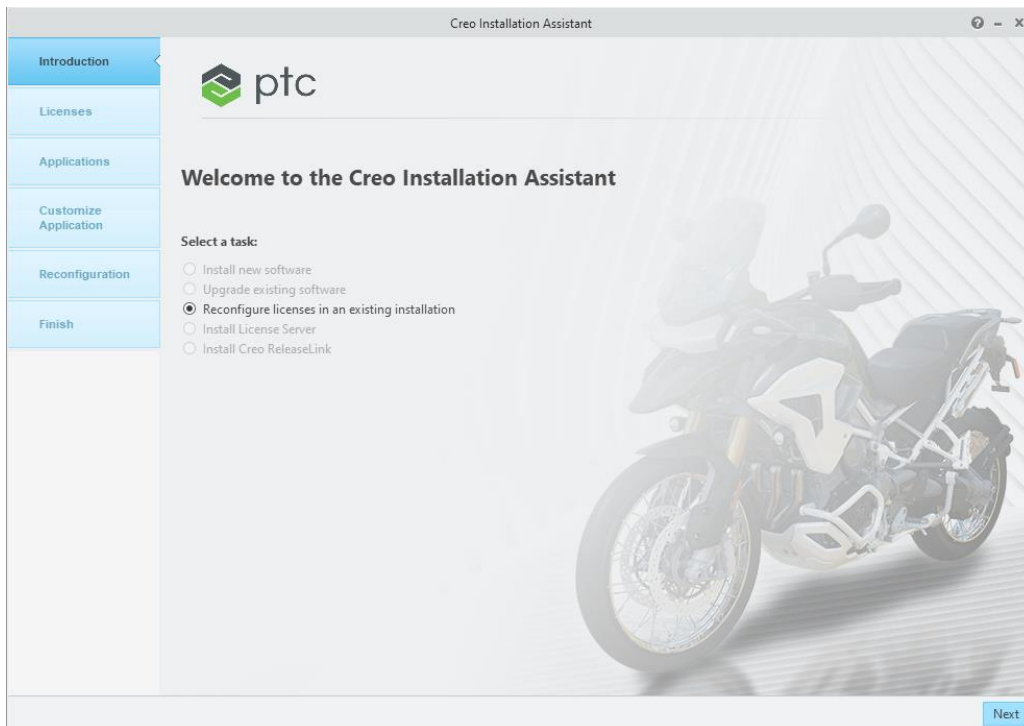

C:\Program Files\PTC\Creo 9.0.2.0\Parametric\bin\reconfigure.exe

Na spodnji sliki so tudi grafično prikazane poti za različne verzije Creota.

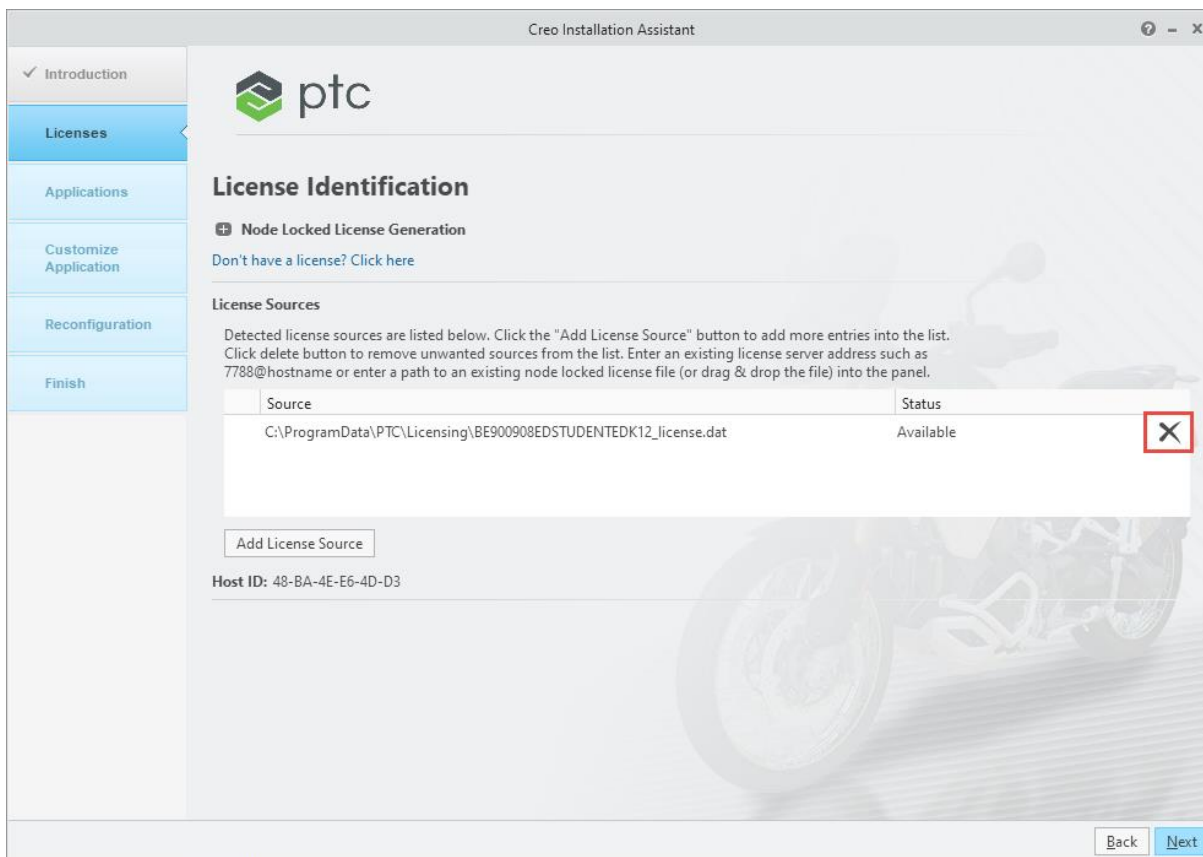

Zaženite reconfigure.exe

V oknu, ki se vam prikaže izberite **Next**.

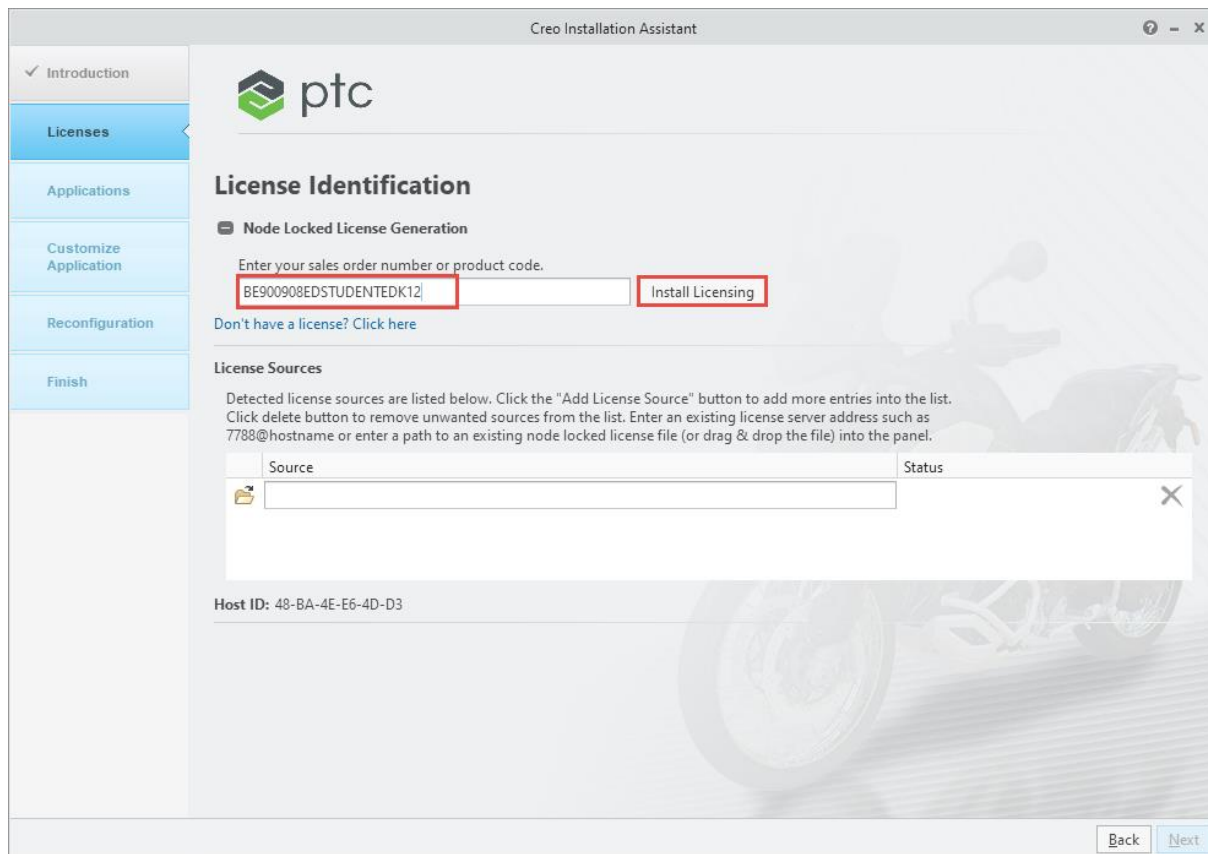

V oknu license summary pritisnite znak minus, da odstranite trenutno pretečeno licenco. V kolikor vam licence ne prikazuje ta korak izpustite.

Pri oknu Simple License Entry kliknite na plus in vpišite kodo produkta, ki ste jo prejeli ob prvi namestitvi. V kolikor ste kodo izgubili uporabite kode prikazane v dodatku tega dokumenta:

- [Creo 4.0 koda](#)
- [Creo 5.0 koda](#)
- [Creo 6.0 koda](#)
- [Creo 7.0 koda](#)
- [Creo 8.0 koda](#)
- [Creo 9.0 koda](#)

Poskrbite, da ste pravilno vnesli kodo in pritisnite Install Licensing.

Odpre se vam prijavno okno za PTC.com. Vpišite vaš e-mail naslov in geslo, s katerim ste se registrirali na PTC.com ob prvi inštalaciji. Pritisnite Log In.

You are being asked to login to: PTC.com ✕

 [Reset my password](#)

Help: [I need to create an account](#)

Namestitev licence traja nekaj trenutkov (obstaja tudi možnost, da se namestitveni asistent za nekaj časa ne odziva). Če je namestitev uspešna vam ob namestitveni kodi izpiše opozorilo »Success«, v oknu License Summary pa se pojavi pot do na novo generirane datoteke, ob kateri piše status **Available**. Pritisnite gumb **Next**.

Node Locked License Generation

Enter your sales order number or product code.

 **Success!**
 Don't have a license? [Click here](#)

License Sources

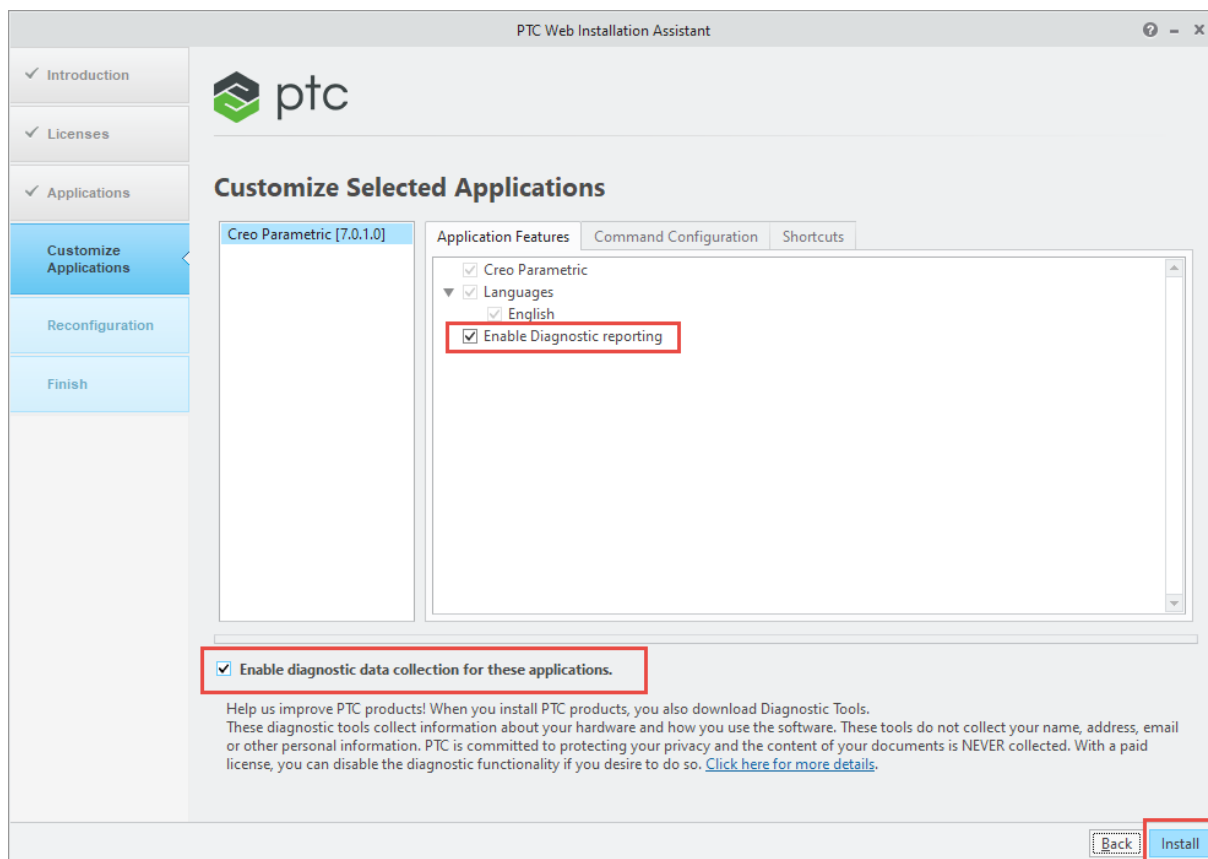

Detected license sources are listed below. Click the "Add License Source" button to add more entries into the list. Click delete button to remove unwanted sources from the list. Enter an existing license server address such as 7788@hostname or enter a path to an existing node locked license file (or drag & drop the file) into the panel.

Source	Status	
<input type="text" value="C:\ProgramData\PTC\Licensing\BE900908EDSTUDENTEK12_license.dat"/>	<u>Available</u>	✕

Host ID: 48-BA-4E-E6-4D-D3

V naslednjem oknu kliknite next.

V naslednjem oknu poskrbite, da bo možnost Diagnostic Reporting oz. Enable diagnostic data for these applications **obkljukana!!**

Pritisnite gumb Install in nato zaključite s konfiguracijo.

Licenco ste na ta način uspešno posodobili.

Za več informacij smo vam na voljo na 01 200 40 70 in help@audax.si.
